

The image shows the interior of the Royal Academy of Pharmacy of Catalonia in Barcelona. The room features a high, vaulted stone ceiling with a large, colorful mural on the stage wall. The stage is elevated and has a wooden front panel with a central mural. A podium is on the left side of the stage. The foreground is filled with rows of wooden pews. The walls are made of stone, and there are framed pictures on the walls. The lighting is warm and focused on the stage area.

**ROYAL ACADEMY OF  
PHARMACY OF CATALONIA  
Barcelona**

Welcome to the Royal Academy of Pharmacy of Catalonia (RAFC).

Walking through the cloister of the old Hospital of the Holy Cross, we came across the hospital's Pharmacy, the original one of 1417 the oldest in Europe, and currently the headquarters of the Royal Academy of Pharmacy of Catalonia, which carefully preserves the furniture, the original ceramic containers and the window of 1696, used to deliver the medicines. Do not miss the opportunity to know this hidden corner.

The wide variety of rooms can accommodate corporate events of different nature, excellence and uniqueness as premier reference: presentations, breakfast and dinners, conferences, commercials, fashion shows, recordings, weddings, press conferences, etc.
