

A wide-angle photograph of a modern lecture hall. The room is filled with rows of blue upholstered seats, each with a small white water bottle on a tray in front of it. The seats are arranged in a tiered fashion, facing a stage at the front. The stage features a long wooden desk with a small blue sign on it. Behind the desk is a large, bright white screen. The walls are made of dark wood, and the ceiling has recessed lighting. The overall atmosphere is clean and professional.

BARCELONA'S SCIENCE PARK

Welcome to the Barcelona's Science Park (PCB).

Founded by the University of Barcelona in 1997, the PCB was the first scientific park in Spain and today we are an international reference in the promotion of innovation.

Currently the Park hosts three research institutes and about 100 companies and other entities. They offer conditioned and non-conditioned laboratories, as well as rental offices and a series of associated services.

The wide variety of rooms can accommodate corporate events of different nature, excellence and uniqueness as premier reference: presentations, conferences, commercials, recordings, press conferences, etc.

Auditorium

The auditorium has:

- Projector + projection screen
- Wireless microphone
- Interior lighting
- Table microphones
