

OBSERVATIONS CALENDAR 2026-2027

Date	Day	Hour	*Observation
16 october 2026	friday	19:30h	Albireo
17 october 2026	saturday	19:30h	Albireo
23 october 2026	friday	19:30h	Moon
24 october 2026	saturday	19:30h	Moon
30 october 2026	friday	19:00h	Saturn
31 october 2026	saturday	19:00h	Saturn
6 november 2026	friday	19:00h	Saturn
7 november 2026	saturday	19:00h	Saturn
13 november 2026	friday	19:00h	Saturn
14 november 2026	saturday	19:00h	Saturn
20 november 2026	friday	19:00h	Moon
21 november 2026	saturday	19:00h	Moon
27 november 2026	friday	19:00h	Saturn
28 november 2026	saturday	19:00h	Saturn
4 december 2026	friday	19:00h	Saturn
5 december 2026	saturday	19:00h	Saturn
11 december 2026	friday	19:00h	Saturn
12 december 2026	saturday	19:00h	Saturn
18 december 2026	friday	19:00h	Moon
19 december 2026	saturday	19:00h	Moon
8 January 2027	friday	19:00h	Saturn
9 January 2027	saturday	19:00h	Saturn
15 January 2027	friday	19:00h	Moon
16 January 2027	saturday	19:00h	Moon
22 January 2027	friday	19:00h	Saturn
23 January 2027	saturday	19:00h	Saturn
29 January 2027	friday	19:00h	Saturn
30 January 2027	saturday	19:00h	Saturn

NOTE: The indicated celestial body is preferred but does not imply obligation on the part of the observatory. In case for some reason it is not could observe, the possibility of observing another star will be sought or the astronomer will explain the current function of the telescope with visual aid.

OBSERVATIONS CALENDAR 2026-2027

Date	Day	Hour	*Observation
5 february 2027	friday	19:00h	Saturn
6 february 2027	saturday	19:00h	Saturn
12 february 2027	friday	19:00h	Moon
13 february 2027	saturday	19:00h	Moon
19 february 2027	friday	19:00h	Saturn
20 february 2027	saturday	19:00h	Saturn
26 february 2027	friday	19:30h	Saturn
27 february 2027	saturday	19:30h	Saturn
5 march 2027	friday	19:30h	Jupiter
6 march 2027	saturday	19:30h	Jupiter
12 march 2027	friday	19:30h	Jupiter
13 march 2027	saturday	19:30h	Jupiter
19 march 2027	friday	19:30h	Moon
20 march 2027	saturday	19:30h	Moon
2 april 2027	friday	21:00h	Jupiter
3 april 2027	saturday	21:00h	Jupiter
9 april 2027	friday	21:00h	Jupiter
10 april 2027	saturday	21:00h	Jupiter
16 april 2027	friday	21:00h	Moon
17 april 2027	saturday	21:00h	Moon
23 april 2027	friday	21:30h	Jupiter
24 april 2027	saturday	21:30h	Jupiter
30 april 2027	friday	21:30h	Jupiter
1 may 2027	saturday	21:30h	Jupiter
7 may 2027	friday	21:30h	Jupiter
8 may 2027	saturday	21:30h	Jupiter
14 may 2027	friday	21:30h	Moon
15 may 2027	saturday	21:30h	Moon
21 may 2027	friday	21:30h	Jupiter
22 may 2027	saturday	21:30h	Jupiter
